THE GRANITE CHURCH

History of The Granite Church Centerpiece of Georgetown historic district

- Completed and dedicated in June 1902 as the Gilbert Memorial Church
- Designed by architect Joseph W. Northrop of Bridgeport, CT, the Gothic Revival-style building is made of granite quarried in neighboring Branchville
- Features stained glass, arch windows, a tower and bell, buttresses, and a Hutchings-Votey pipe organ installed in 1902
- Adjacent to the Gilbert & Bennett Wire Mill and beside the Norwalk River
- Founders Edwin and Elizabeth Gilbert are buried on the property in a beautiful gravesite
- Last used as the Georgetown Bible Church until 2015
- Purchased by BeFoundation in 2022

Why restore and redevelop The Granite Church?

Restore a historic centerpiece for Georgetown Catalyze a new chapter of redevelopment for the Gilbert & Bennett Wire Mill

Provide a historically and culturally significant gathering place for our community Support area economic development

A NEW MISSION

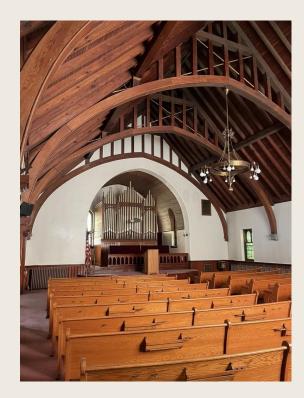

The Granite Church is a nonprofit community gathering space that celebrates cultural expression and the arts. We seek to strengthen our sense of community and support artistic and civic leadership. We have a unique opportunity in Georgetown to honor our past and ignite our future through investment in historic rehabilitation, adaptive reuse, and placemaking.
