

## **Audio Backline @ The Granite**

By: Dylan Martello

As of January 2025

### **House Console and Computer**

- Digital Mixing Console: Midas M32 Live w/ Midas DL32 stagebox (32 inputs, 16 outputs)
- House Mac computer with Logic Pro and Pro Tools Studio DAW (iLok required if using Pro Tools)
  - Multitrack recording to Logic / Pro Tools available for recording sessions and live performances. All 32 inputs on Midas can be tracked simultaneously.
  - If you'd like to walkout with the audio files, we recommend you bring your own solid-state drive (SSD) to connect to the Mac (via USB-A or USB-C) to write session to. If not, audio and session files can be sent to you digitally the next day.
